Thoughtful Design, Quality Materials

Our goal was to emphasize both quality and affordability in creating the best outdoor pet fountain available. The **K9 Guzzler's** well engineered design offers a simple and attractive dog fountain that will provide years of service in virtually any outdoor environment.

Another Great Product From **WESCO Fountains, Inc.**

A FOCUS ON EASE OF USE

With the convenient auto-shutoff valve and self draining bowl - just fill and walk away.

SANITATION SIMPLIFIED

Provides clean water with each use. Curved bowl surface makes it easy to wipe away debris.

TROUBLE FREE INSTALLATION

Mount the pre-assembled base, connect the water and attach the pre-assembled upright. Done.

DURABLE AND MAINTENANCE FREE

Strong, weather resistant components make up the fountain and provide years of enjoyment.
